Critical Management of High Risk Disease: “Don’t Kill Your Patient”

Save your patient by learning the latest in diagnostics and treatment from the specialist.

“The best general conference I have attended. The topics chosen were excellent, perfect for a primary care doc.” “The speakers were awesome. Excellent presentations. If this is offered yearly, I will attend yearly.”

David R Cesko, M.D., Rawlins, WY

Five Reasons Why You

Can’t Miss This Conference!

Live Medicine in Action

You will have the opportunity to observe live demonstration of pertinent procedures during lectures. Learn what you’re missing in your physical exam. What are the key elements in the neurologic exam of a suspected stroke patient? When was the last time an orthopedic surgeon taught you how to perform a knee exam?

“Live patient demonstration is just brilliant to be included in the lectures.” “Excellent content. Highly applicable to primary care.”

Carlos Ermocilla, M.D., North Las Vegas, NV

Faculty Lounge

Get all your questions answered by the specialist!

“Nice overview of important clinical conditions. Speakers excellent and approachable” “Live patient demos for physical exams are a great addition”

Marie Weston, M.D., Davie, FL

A Day to Play

Take a moment for yourself...

“The ‘day-off’ is a great way to rejuvenate during the course and give needed time to engage in local culture”

David McNabney, M.D., Jefferson City, TN

Conference Concierge

Do the husband and kids want to visit the zoo? Did you not have time to plan your evening activities before arriving? Ask the conference concierge staff—they are here to make your stay the best you’ve yet experienced!

“The concierge was very helpful. We really enjoyed Mamma Mia!”

Ali Javanbakht, M.D., Santa Barbara, CA

Program Objectives and Faculty

Program Objectives

This course is designed for the clinician who sees patients in the clinic, urgent care or emergency department. The goal of this course is to present basic review material, current practice guidelines and recent advances in evidence-based clinical medicine. Our faculty are full time clinicians with teaching appointments in their respective institutions. Individual lecture objectives can be found at www.dontkillyourpatient.com and in the final program.

Our lecturers see patients each day, just as you do. They deal with the same stresses and strains—the difference is that they are specialists and each is an excellent lecturing professor in his/her given field. It doesn't get better than this!

Faculty

Mil Dhond, MD FACC, Associate Professor of Cardiology, Division of Internal Medicine, University of California, Davis School of Medicine, Davis CA

Richard Sheldon, MD FACP, Professor of Medicine, Division of Internal Medicine, Loma Linda University School of Medicine, Loma Linda, CA

This program has been planned and implemented in accordance with ACCME essentials and standards. The Loma Linda University School of Medicine Office of Continuing Medical Education relies on its CME faculty to provide program content that is evidence-based and free of commercial bias. Therefore, in accordance with ACCME standards, any faculty and/or provider industry relationships will be disclosed and resolved.

Accreditation

Loma Linda University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians. LLUSM designates this educational activity for a maximum of 24 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

- This activity has been reviewed and is acceptable for up to 24.00 prescribed credits by the American Academy of Family Physicians
- Approved by the American College of Emergency Physicians for 24 hours of ACEP Category 1 credit
- Recommended for general internists, hospital internists and members of the American College of Physicians
- Loma Linda University School of Medicine designates this educational activity for a maximum of 24 AMA PRA Category 1 Credit(s)[™]

"The conference was excellent. All of the speakers gave useful lectures and the topics were all relevant to my practice."

Roger Felix, M.D., Silver Spring, MD

"Best conference I've been to, speakers were excellent, knew who their target audience was. Kept it very clinical. Useful material in every lecture. I did not skip one lecture."

Anthony Vigliotti, M.D., Chihenango, NY

Accommodations

Caribe Royale

**Orlando, Florida
April 17-20, 2008**

Nestled on more than 45 acres of stately palms and fragrant bougainvillea, The Caribe Royale

Orlando is a unique hideaway that offers exceptional accommodations and unrivaled hospitality. Experience the thrills of a 75-foot water slide or relax on the deck of our tropical pool! Dine in excellence at the Venetian Room. If exercise is your fancy than you will love our 2-story fitness center. World-class attractions are just a few minutes away: Walt Disney World Theme Parks (Magic Kingdom, Epcot Center, Disney's Animal Kingdom, Disney's Hollywood Studios), Sea World, Universal Studios, and of course Gatorland to name just a few!

Limited rooms are reserved at a rate of \$179 per night, so register early.

When calling to make a reservation at Caribe Royale, please identify yourself as attending the "Don't Kill Your Patient" medical conference.

Caribe Royale Room Reservation 1-(800)- 823-8300 or Book Online

Paradise Point

**San Diego, California
May 1-4, 2008**

Paradise Point Resort & Spa welcomes you to your very own California Beach Bungalow. Imagine a

tropical island oasis in California! Each room offers a private lanai sitting area with breathtaking views of the bay, our lagoons and pools, or our lush tropical gardens. Enjoy the white sandy beach, waterfalls or make your own s'mores at one of our designated campfire sites! During your time off, rent a sailboat, jet ski or catamaran to further enjoy the pleasant waters of Mission Bay and the warm San Diego climate. Nearby you wont want to miss Sea World, The San Diego Zoo, Gaslamp district, Balboa Park and more!

Limited rooms are reserved at a rate of \$195 per night, so register early.

When calling to make a reservation at Paradise Point, please identify yourself as attending the "Don't Kill Your Patient" medical conference.

Paradise Point Room Reservation 1-(800)-344-2626 or Book Online

"The presentations were all pertinent to my primary care practice. I had planned on doing a different CME but I was not disappointed that I changed to this program."

Rex Wieland, M.D., N Manchester, IN

"The Live demonstrations were a valuable review of effective examination techniques that most busy physicians have not reviewed in many years"

Jerry M. Fioramonti, M.D., Scottsdale, AZ
